RECENT PROFESSIONAL EXPERIENCE

Movember Foundation, Global

May 2024 - Present

Global Director of Health Equity Initiatives

Global Director of Personalised Care Strategy

Director of Men's Health (North America)

- Currently providing executive-level leadership, directly managing three global initiatives, driving strategy, implementation, and impact measurement across 6+ large major global markets, while aligning multi-million-dollar social impact initiatives with organizational strategy.
- Direct multi-million-dollar global grant portfolios (\$10.6M+), overseeing 18 equity-focused programs and managing culturally responsive, community-informed initiatives.
- Lead Movember's Global Community Advisory Board, leading engagement efforts across seven markets to integrate lived experience into program design, research, and policy.
- Build and manage strategic partnerships with health systems, researchers, advocacy organizations, and community groups to co-design scalable, equity-driven solutions.
- Define and monitor KPIs for clinical, patient-reported, and equity outcomes to generate real-world evidence and inform improvements to the global health system.
- Develop and implement culturally relevant health education campaigns and digital engagement strategies, including gamification and interactive content, reaching historically and intentionally excluded populations.
- Collaborate with Global Policy teams to shape advocacy strategies, translate community insights into actionable priorities, and track policy developments across international contexts.
- Represent the organization at international conferences and high-profile forums, driving global thought leadership in equity and community-centered innovation.
- Facilitate cross-departmental alignment of equity-focused initiatives with organizational strategy to ensure accountability, learning, and long-term impact.
- Manage and mentor a diverse, interdisciplinary global team, fostering an inclusive culture that supports staff professional growth through goal-setting, coaching, and equity-centered work plans.
- Lead several strategic grant-making initiatives, managing proposal reviews, budgeting, financial tracking, and ensuring all work aligns with equity-focused philanthropic values.
- Chair and participate in organizational equity and antiracism workgroups, operationalizing equity principles throughout grant-making and program implementation.
- Oversee planning and execution of grantee gatherings, site visits, and stakeholder engagement activities to support community-centered program delivery.
- Manage portfolio operations, including development of annual work plans, budgets, and monitoring systems aligned with the Movember Foundation's Health Equity goals.
Lead Movember's North American mental health strategy focused on suicide prevention, early intervention, young men's mental health, and social connection.
- Oversee flagship programs including Ahead of the Game, Game Changers, Movember Conversations, and Social Innovators Challenge.
- Translate research into scalable, community-based interventions reaching young men and boys before crisis.
- Build partnerships with grassroots organizations, sports clubs, and schools to embed programs locally.
- Engage underrepresented groups through culturally relevant approaches and lived-experience co-design.
- Integrate mental well-being principles across Movember's men's health portfolio, ensuring alignment with global equity goals.
- Track outcomes and share learnings across markets to strengthen impact and inform future funding.

ZERO Prostate Cancer, Alexandria, VA

March 2022 - May 2024

National Director of Health Equity, Community Organizing & Engagement

- Led organizational equity strategy and implementation, driving stakeholder engagement, strategic planning, and funding growth initiatives.
- Part of the executive leadership team, I was able to guide national equity priorities and lead engagement with policymakers and stakeholders at the highest levels.
- Managed department budget and developed grant-funded initiatives, including place-based learning pilots and community-driven education programs.
- Built and scaled train-the-trainer models to expand peer education, integrating trauma-informed, culturally responsive facilitation frameworks.
- Served as Co-Principal Investigator on multi-sector research projects; defined shared deliverables and partnership frameworks with academic and community collaborators.
- Cultivated local, state, and national partnerships across nonprofit, public, and civic sectors to drive equity-centered systems change.
- Engaged elected officials and policymakers to raise awareness of disparities and build support for organizational initiatives.
- Managed and coached a multi-disciplinary team, supporting professional development and fostering a culture of equity and inclusion.
- Oversaw grantmaking workflows and budget management, ensuring alignment with strategic equity priorities and fiscal accountability.
- Facilitated cross-department collaboration to streamline program implementation and equitable resource allocation.

Community Solutions, Inc., Global

May 2021 - March 2022

Senior Network & Engagement Advisor/Consultant

- Served as senior advisor to national leadership and HUD, expanding systems-level impact through racial equity frameworks and data-driven policy.
- Co-created and implemented Racial Equity Indicators and feedback loops across a national network of communities, advancing data-informed strategies for inclusive systems change.
- Designed and facilitated national and international peer learning collaboratives, including curriculum co-development, culturally responsive training modules, and systems-level feedback integration.
- Led user experience quality improvement initiatives across 85+ communities, supporting onboarding, engagement, and sustained progress toward equitable homelessness reduction outcomes.
- Assessed community needs and delivered strategic recommendations to executive leadership, shaping programmatic and policy shifts grounded in equity and community voice.
- Managed and facilitated learning sessions and network-wide engagements, ensuring equitable access to resources, goal-setting processes, and best practice sharing.
- Served as keynote speaker and lead facilitator for national and international engagements, including direct collaboration with the U.S. Secretary of Housing and Urban Development on health equity and homelessness.

Brockton Neighborhood Health Center, Brockton, MA

October 2018 - May 2021

Project and Sr. Program Manager/Health Equity and Engagement Manager

- Created and led the role of Health Equity and Engagement Manager; developed the foundation for a new organizational equity office to institutionalize inclusive practices and community-centered strategy.
- Founded and institutionalized the organization's first equity leadership function, embedding inclusive practices into strategy and operations.
- Managed \$10M+ in grants across multiple programs, overseeing cross-functional project implementation, continuous improvement, compliance reporting, and budget accountability.
- Directed equity-focused programs within a Medicaid- and Medicare-reliant FQHC, aligning care delivery with value-based payment models and UDS quality reporting requirements.
- Partnered with clinical and administrative leadership to integrate population health strategies into care coordination, improving performance on risk-adjusted quality measures.

- Oversaw community health initiatives addressing social determinants of health, strengthening compliance with Medicaid/Medicare requirements for comprehensive, holistic care.
- Chaired cross-departmental health equity board to ensure programs aligned with federal reporting and reimbursement structures.
- Chaired the organization's internal Equity Board; designed and facilitated staff development and community engagement strategies to advance an inclusive organizational culture and equitable service delivery.
- Served as an advisor to the Massachusetts Department of Public Health's COVID-19 Health Equity Task Force, the City of Brockton's Health Equity Task Force, and US House Representative Ayanna Pressley, contributing strategic guidance during crisis response and long-term equity planning.
- Acted as government affairs lead, advocating for community-informed policy solutions and representing the organization at statewide and national coalitions.

EARLY CAREER LEADERSHIP & PROGRAM MANAGEMENT ROLES

Tri-County Community Action and Senator Joshua Miller's Office, North Providence, RI
May 2018 - October 2018

Regional Prevention Manager/Legislative Coordinator

Led regional municipal prevention strategies and served as advisor to Senator Josh Miller; managed grants, built coalitions, and led public health task forces; managed health and social service programs for Medicaid/Medicare beneficiaries in a community-based FQHC environment, ensuring alignment with compliance and quality standards; coordinated programs that bridged clinical care with social determinants of health, directly supporting capitated and performance-based payment models; and partnered with clinical leadership to implement data-driven approaches to program evaluation and quality improvement tied to value-based care outcomes.

Thundermist Community Health Center, West Warwick, RI
October 2017 - May 2018
Community Health Team Lead

Oversaw social impact programs focused on vulnerable populations; supervised frontline workers and coordinated community care strategies; supported Medicaid and Medicare operations within an FQHC to ensure compliance with quality reporting and value-based payment requirements; advanced care coordination for high-risk patients by integrating behavioral health, primary care, and social services; collaborated with payer and state partners to align initiatives with risk-adjusted quality metrics and capitated payment structures; and led a multidisciplinary team in delivering person-centered care to improve outcomes tied to Medicaid/Medicare performance measures.

Global Youth Development Advocate & Athlete | Peru, UK, France, Nicaragua, China, U.S.
March 2014 - October 2017

While playing professional basketball in multiple countries globally, I led youth development and health education initiatives through sport; delivered programs focused on empowerment and equity in under-resourced communities while completing graduate studies and international internships.

Harbor Health Inc., AmeriCorps, Boston, MA
September 2015 - August 2016
Provided clinical IT support and led youth community outreach initiatives to promote health literacy.

Professional Basketball Player, NBA D-League and International Experience
2014 - 2017
Played basketball professionally in multiple countries, including the NBA D-League, while creating and implementing youth development and health educational programming through sport.

EDUCATION

University of Alabama - MSW / MPH (Dual Degree)

Durham University, UK - Master of Management
Lesley University - BA, Communications & Human Services

PROJECTS & CONSULTING

- **Social Impact and Non-Profit Consultant (Ongoing):** 6+ years advising mission-driven organizations on DEI strategy, impact measurement, and sustainable, community-led programming.
- **Professional Athlete & Health Advocate:** Played basketball professionally in 7 countries, using sport as a platform for youth empowerment and health education.
