

RxVP PROUDLY PRESENTS

AMPLIFY

Executive presence and high-impact public speaking for life sciences leaders

Elevating the next generation of enterprise leaders at (company name and location).

As leaders step into broader enterprise influence, the ability to communicate with confidence, clarity, and authority becomes a defining advantage. AMPLIFY is a premium development experience designed to help emerging senior leaders strengthen public speaking and executive presence.

Real-World Speaking Opportunities

Each participant receives three high-value speaking opportunities over six months. Experiences may be virtual or in person and designed for internal or external audiences.

- RxVP panels and fireside chats
- Strategic stakeholder engagements
- Industry conferences and ERG collaborations

CORE ADVANTAGES

- Speaking practice in 3 panels
- Practitioner speaking coaches who know the life sciences stage

Practitioner-Led Coaching

RxVP speaker coaches are accomplished, active voices in the life sciences industry who bring firsthand credibility, insight, and candid feedback to every session.

- Speaker delivery and concise storytelling
- Audience engagement and executive presence
- Panelist, moderator, and interviewer readiness
